

## Unchangeable

Ohh, Ohh,  
Ohh, Ohh,  
Ohh, Ohh,  
Ohh, Ohh

Don't take this personal  
Baby don't get me wrong  
Don't think I don't love you  
Cuz you know I do  
It's what I'm going through

You always run away  
When we get face to face  
Maybe we need to find a safer place  
For me to let you know the truth

Should I give you more time?  
Should I try to compromise?  
Should I Listen to my heart or to my eyes?  
Or maybe you were right  
And I will always be unsatisfied

Should I let it show?  
Is it time to let you go?  
Is it me?  
Is it you?  
I just don't know

Do I ask too much from you, or  
Are you just unchangeable?

Ohh, Ohh,  
Ohh, Ohh,

I just want the simple things  
Anything a woman needs  
Cuz there's a deeper touch  
I miss so much  
Baby don't you see?

It hurts lying next to you  
You're right there but I can't get through  
And I won't rest until  
The walls around your heart come tumbling down

Should I give you more time?  
Should I try to compromise?  
Should I Listen to my heart or to my eyes?  
Or maybe you were right

And I will always be unsatisfied  
Should I let it show?  
Is it time to let you go?  
Is it me?  
Is it you?  
I just don't know  
Do I ask too much from you, or  
Are you just unchangeable?

Ohh, Ohh,  
Ohh, Ohh,

Sometimes we fall apart  
Sometimes we're so in love  
Sometimes you break my heart  
Without a thought  
And throw it all away

Can't you see it's killing me  
Every time you leave  
You take the best of me  
And I feel incomplete

Ohh, ohh  
Ohh, ohh  
Ohh, ohh

I want to feel you  
Whenever I talk to you  
I want to breathe you in  
Get under your skin  
Baby let me in

I was strong enough  
To save what's left of us  
It could be so beautiful  
Magical  
Let it show, let it show, let it show  
Should I give you more time?  
Should I try to compromise?

Should I Listen to my heart or to my eyes?  
Or maybe you were right  
And I will always be unsatisfied

Should I let it show?  
Is it time to let you go?  
Is it me?  
Is it you?  
I just don't know  
Do I ask too much from you, or  
Are you just unchangeable?
